

Lineville Intermediate Student Placement

Student Name:

Student ID/Lunch:

House Placement:

Homeroom:

Welcome to the start of the 2020-21 school year! We know that students are excited to see their house placements and we are equally excited to be able to share that information. House placements and homerooms have been finalized and no changes can be made.

Please note: Each homeroom will have their own individual schedule and this is not reflected on the schedule you see in PowerSchool. Your child will receive their daily schedule from their classroom teacher. The attached house teacher and room assignment document reflects more details.

If your child rides a bus, a Lineville staff member will greet them on their bus and escort them to their homeroom. If your child walks or is dropped off they, too, will be met by a staff member on the front sidewalk and escorted to their homeroom. Please remind your child of the importance of social distancing as we are doing our best to ensure safe practices for entering the building each morning. Students will not be permitted to gather outside. We appreciate your cooperation and patience as we work to escort every student directly to their homeroom to start the day. More details for drop-off/pick-up were discussed at the Lineville Parent Town Hall meeting. Recordings of those meetings can be found on our website at <https://lineville.hssdschools.org/>.
