

LVLLineville/Bay View PTO Meeting Minutes
January 4, 2021

In Attendance (Google Meet): Sara Fielder, Jaime Frisque, Ashley Balck, Phil Hart

Sara called the meeting to order at 6:01pm

Principal Reports

- Lineville (Phil Hart): All virtual this week to mitigate transmission from the holidays. Hotline is open for all to report symptoms or covid test results. All staff and students are highly encouraged to use the hotline and frontline app to report symptoms and test results. Next week back to in person (elementary 5 days a week, LV & BV still doing hybrid). LV and BV will remain hybrid because of issues sticking in smaller groups of people. February 15th is a flagged date for hopefully coming back full time. Lots of logistics to work out before then. Looking at doing winter MAP testing for the first time in a year. (Spring and fall were cancelled because of COVID) Lineville window is through the end of February so hopefully teachers can administer between 1/19 and 2/11. PT Conferences scheduled for the end of February (23rd & 25th). Format of this is still up in the air.
- Bay View (Steve Meyers): (not present, emailed notes) All students are learning virtually this week. Then we will be bringing students back next Monday and Tuesday under plan B. Half on M/W and half on T/Th and another group remote M-Th. We will also offer more in-school activities and athletics. The teachers and the students have done such a great job under very challenging circumstances.
