

January 29, 2021

Dear Lineville Families,

I am writing to follow up on the email sent by Mr. LaCroix yesterday, and to provide you with some information in preparation for our return to in-person learning for all students beginning Monday, February 15.

Students Enrolled in the Florida Virtual Option

Students enrolled in the Florida Virtual option will continue to attend their classes virtually. There is no change to your schedule. As a reminder, there will be no classes for Florida Virtual Students on February 12.

In-Person Learning Schedule

Beginning February 15, all students **not** enrolled in the Florida Virtual option will attend school in-person five days per week. If a student can not attend in person due to illness or other reasons, please call our attendance line at (920) 662-7875. Students who do not attend in person when scheduled to do so will be marked absent.

In addition to the calendar dates already published, students attending in person will not have school on the days listed below to allow time for professional development. These dates are consistent with the dates already published for K-4 students.

- February 12
- March 19
- April 5
- May 7

Start/End Times

We do not anticipate any changes to our start or end times. School will continue to begin at 7:55 a.m. and end at 2:38 p.m.

- **Drop Off** - If you are dropping your child off in the morning, please do not do so before 7:40 a.m. if at all possible. Students may only be dropped off using the Cardinal Lane entrance.
- **Pick Up** - We will continue to utilize the Silent Dismissal app for the end of the day. Be sure to have your number or app ready when you arrive. If you are using the app, you may pull through the left lane to park. If you need a staff member to enter your number, please use the right lane. Please allow extra time for pick up, as there may be delays due to an increased number of students being picked up.

Lockers

Students will be assigned a locker for their coats, hats, boots and other such items to be kept during the school day. The lockers will not be lockable, so students should not plan to keep any valuables in the locker. Students will continue to keep their school supplies and lunches with them in their homerooms. No items should be kept in the lockers overnight.

Buses

Lamers Bus Lines is working to build new routes. They will send information to families prior to February 15 regarding pick up and drop off times and locations.

Parent Teacher Conferences

Information about virtual conferences for Lineville and for Florida Virtual will be coming in the next couple of weeks. Please watch our LV Newsletter or your House Newsletters or emails for details.

Thank you for taking the time to read this information. We look forward to seeing all of our in person students back on February 15. If you have any questions, please feel free to reach out to me or our office staff at 920.662.7871.

Sincerely,

Phil Hart, Lineville Principal
